## ***Finding God in the Everyday*** By Lillie Ammann

We expect to find God in church and in our private devotions. But have you ever wondered where He is the rest of the time—especially when things go wrong? With humor and poignancy, author Lillie Ammann shares in 90 devotionals how she finds God in the everyday experiences of her life. If you like the smell of cookies in the oven and watching reruns of *The Waltons*, you will love the folksy flavor of *Finding God in the Everyday*. ~ Molly Noble Bull, Christian romance author. Where's God, you ask? He's here with us; we can find Him in our daily life when we look. ~ Ben Ferguson, Adopt-a-Chaplain.

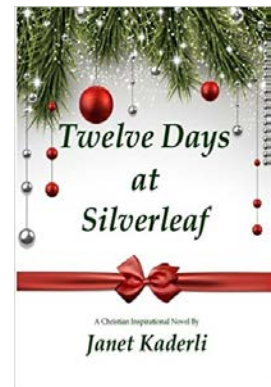

## ***Gambling with God*** ***From Gambling Bartender to Born Again Christian*** By Tom Covino

Everyone in the world shares the same thought: One day, I'm going to die! Although our common faith agrees that our last breath is inevitable, we are strangely divided as to what happens next. People believe that one of the following happens when we die: 1. Annihilation 2. Reincarnation 3. Purgatory 4. All go to Heaven 5. Do more good things than bad and go to Heaven 6. Judgment 7. Whichever one you personally believe is true. I sincerely hope that after reading this book, you will be convinced to do two things: 1. Recognize that only one of the seven answers above is correct, and 2. Open the Bible, believe for yourself, and don't gamble with God!

## ***Twelve Days at Silverleaf*** By Janet Kaderli

Hoping to find a new perspective on the Christmas holidays, Ali Clarke travels to the Victorian-style Castle resort hotel in Silverleaf, Colorado to celebrate the Twelve Days of Christmas. With the help of the Castle chaplain, Cole Retherford, Ali and others learn to place their focus on Jesus Christ rather than the overwhelming commercialism of the festive season. Ali posts a blog about what she learns each day. An angry response to one of her posts devastates Ali. Will she be able to recapture the joy she's found in *Twelve Days at Silverleaf*?
